

Welcome!

Welcome to Brookwood Preschool Academy. Our staff has been working hard to get everything ready for a smooth start for you and your children. You'll be receiving a monthly calendar in your child's folder. This calendar will include information about what will be taking place that month, holidays, special themes and birthdays, as well as the color, shape and Bible focus for the month. We suggest either leaving this calendar in the sleeve of your child's folder or placing it at home for easy reference throughout the month. You'll also be receiving a monthly newsletter from the Academy office. If you have any questions or concerns, please stop by our office, email us at academy@brookwoodchurch.org, or call us at 864.688.8223.

In Class This Month

During August and September, your child will learn about New Friends, New School, All About Me, Family, Apples, and Fall. They will be doing special art projects and centers related to these themes. August's color is yellow, and the shape is a circle. September's color and shape will be red and rectangle.

Morning Drop-off/Afternoon Pickup

When walking your children into school in the morning, please remember our walking feet inside rule. We know it is tempting to race, but with 200 children, someone could get hurt, and we don't want it to be you! This is one of our school rules that teachers will work on with the entire class. Also, please make sure you visually check in with your child's teacher when dropping off. For the safety of your child, if you have different plans for your child's pickup, please let our staff know at drop-off, through Playground, or by calling the office. Thank you in advance for helping us out with this.

School Pictures

On August 25 through August 27, we will have picture day. These pictures always create great memories as your children get older. We'll be sending out more information as it gets closer.

Sick Child

Please refer to your Parent Handbook for questions about a sick child. If your child has a fever of 100.4 or higher, they may not return to school until they are fever-free without fever-reducing medication for 24 hours. Also, if your child is too ill to participate in the classroom and playground activities, they should stay home until they feel better.

Weather

The children go outside to the playground daily. As the weather changes, please make sure they are dressed weather-appropriate for the whole day.
