

Happy November!

In Class This Month

Thanksgiving is just around the corner. During November, your children may learn about turkeys, pilgrims, Native Americans, and what makes them thankful. Your teachers will be sending home any important classroom dates, so be sure to look for their calendars and newsletters.

Safety

For everyone's safety, please do not hold the door and allow others to enter behind you. All parents have their own key fobs, and entry is recorded for security purposes. If someone needs assistance entering, please direct them to ring the doorbell. Thank you for partnering with us to keep our building secure.

Illness and Medications

If your child is out with an illness, please let us know by messaging us in Playground or contacting us at 864.688.8223 or academy@brookwoodchurch.org. We like to inform other parents of exposure within classrooms so we can best mitigate the spread of illnesses.

Pickup

For your child's safety, if you have different plans for your child's pickup, please let our staff know. You can also call the office and let us know by either speaking to us or leaving a message. We check authorized pickups and their ID's at the office before allowing pickup. In our Playground app, please add any authorized guardians/pickups to your child's profile.

Weather

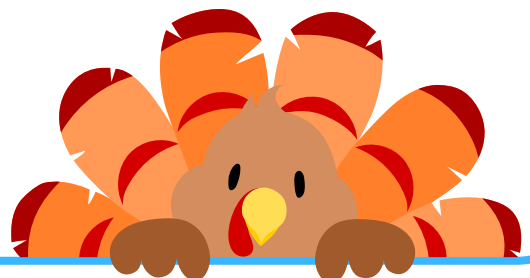

With the temperatures getting cooler, please be mindful of the weather each day. The children do go outside one to two times each day. Coats are sometimes needed, so please remember to send them with your child. Please write your child's name on their coat so that we'll know whose it is if it gets misplaced. If you haven't sent in warmer clothes for your child to keep here at school, now is the time to do this.

Lunch Utensils

Please remember that the Academy does not supply utensils for children's lunches! Please send in utensils daily in your child's lunch box. Continue to label, label, label, and remember that we are PEANUT and NUT-FREE. We also do not allow glass containers or bottles.

UPCOMING EVENTS
