

Family Talk – Performance of Faith: Noah

READ TOGETHER

Hebrews 11:7

1. What stands out to you from this verse?
2. Would you have done what Noah did?

LIVE IT

What would you have done if God told you to build a large boat? Not only a large boat, but one that would save your family and every animal on the earth. We may all say we'd build it, but with today's peer pressure, would we have done it? Sometimes we care about what others think too much.

God commanded Noah to build the ark in the middle of dry land. Everyone could see it. Even though God's command seemed foolish, Noah obeyed. Noah followed God's plan, and because of that, it made him stand out. It made him look strange to his neighbors. Don't be surprised when others think you're different when you follow God. The truth is, you should be different. What are you doing right now to follow God's commandment for your life?

LEAN ON GOD

Dear God,

Thank you for this day. You're entirely in control of everything. Help us remember how much You love us, so we're not afraid of what others think or say about us. We are called to follow You and do what You want us to do. Help us search You out in everything we do.

Amen
