

## Family Talk – Freedom to Serve

### READ TOGETHER

---

#### Galatians 5:13–14

1. What does it look like to abuse freedom for selfish reasons?
2. The Bible repeats that the Old Testament law can be summed up in this phrase: “*Love your neighbor as yourself.*” Why is this difficult for us?
3. What would it look like for you to serve others in love?

Thank You, God, for setting us free and calling us to love those around us well! However, we must be on guard against using our freedom selfishly. Philippians 2:3-4 says that we shouldn't look out just for ourselves, but we should elevate others and their needs above our own.

Who is God calling you to serve? Who is God calling your family to help? Think about ways you can serve. Pray about this, then share where God is leading. Take the steps needed to get started.

### LEAN ON GOD

---

Dear God,

Thank You for Your Son Jesus, who came to serve, being the perfect example for us to follow. Show us who You want us to serve and give us wisdom as we seek to serve them well. We love You.

In Jesus name,

Amen
