

Family Talk – The Life of Jesus

READ TOGETHER

[Luke 12:35–40](#)

1. Jesus is talking about His second coming. What do you think Jesus means by *Be ready*?
2. In verse 37 Jesus says that those who are alert when the master comes will be blessed. What do you think Jesus means by that statement?

LIVE IT

Jesus compares Himself to a master who blesses those who are alert as well as a thief who comes to steal and plunder.

How we think of Jesus depends on whether or not we are prepared for His second coming.

Talk to your children about living their life prepared to meet Jesus during His second coming. How does that life differ from the life of someone who isn't prepared?

What's one step you can take today to prepare for Jesus' return?

LEAN ON GOD

Dear God,

Thank You for being so clear and direct with us. God help us live with You at the front of our minds and hearts, always alert for Your second coming.

God show us what You want us to do today to be ready.

We love You.

Amen.
